**Department of Aeronautics and Astronautics**  
**National Cheng Kung University**  
**Tainan, Taiwan**

National Cheng Kung University is one of the premier universities in Taiwan, housing best teaching and research facilities in southern Taiwan. Department of Aeronautics and Astronautics (DAA) has been an active and vibrant research and education program with good research infrastructure and growing R&D opportunities. Currently, we have 38 faculty members actively involved in many research and development projects, with over 250 undergraduate and 350 postgraduate students enrolled in our department.

Faculty positions are opened for qualified candidates who possess PhD degree in Engineering or Science and have enthusiasm for teaching and doing research. Applicants with a strong background in the following aeronautics and astronautics related areas are invited:

- (1) Aerodynamics
- (2) Structure and Materials
- (3) Control and Guidance
- (4) Energy and Combustion
- (5) Civil Aviation

Please submit your curriculum vitae (indicating areas of expertise and list of publications), certificates of Bachelor, Master and PhD degrees (including all transcripts), contact information of three referees, teaching courses outlines and brief research proposals before June 15, 2016 to:

Chin-Hsiang Cheng  
Professor and Chairman
