

Faculty Position Opening
Institute of Applied Mechanics
College of Engineering, National Taiwan University

The Institute of Applied Mechanics, College of Engineering, National Taiwan University, invites applications for full-time faculty positions. Successful candidates should demonstrate solid training and innovative research in one or more of the following scholastic research area:

- Solid Mechanics,
- Fluid Mechanics,
- Dynamics, or
- Interdisciplinary Studies.

Those with research fields in connection with novel applications of mechanics in defense technology, smart sensing, biomedical technology, or energy technology will be granted priority in consideration. Proven experience in working with interdisciplinary research team is desirable. Passion in graduate teaching is essential. Candidates must have an earned doctoral degree (or equivalent) in engineering, physics, or related disciplines.

Interested applicants should fill out the application form which can be downloaded from the website: <https://reurl.cc/oQNgkQ> and send the form with the required documents in electronic files to: Director/Professor Kuo-Ching Chen at chiweiliu@ntu.edu.tw. The application materials may also be sent in hard copies to Institute of Applied Mechanics, College of Engineering, National Taiwan University, Taipei, Taiwan 106, Republic of China. Applications should be received no later than December 31, 2022. Applicants should ascertain that three recommendation letters are sent to the Institute by the referees before the deadline.
